Hello Mustangs!

Welcome to the 2023-2024 school year! I'm excited to continue serving the Miles community and am happy to have YOU be part of the team.

Thanks to the many community partners who worked throughout last school year to revisit our school's mission and vision. As we navigate through another school year, it is important to recognize what we are all working towards. Check out the new mission and vision below!

Mission Statement

Miles Exploratory Learning Center provides an integrated learning experience where Deaf, Hard of Hearing, and Hearing students work together to develop life and career readiness skills which prepares them to be confident, productive, and responsible members of the community.

Vision Statement

Miles Exploratory Learning Center cultivates a strong community and culture of high expectations where children are nurtured, valued, and challenged to meet their full potential.

There are so many wonderful experiences that have adorned the halls and classrooms at Miles. It is my pleasure to be part of the awesome experiences that are yet to come!

Here we go Mustangs!
